

- Draw (at least) 4 vertical rectangles
- Each of these sketch boxes will create a small storyboard consisting of at least 4 frames to show the movement planned on the artboard/page.

- Critique Letterforms vector work
  - Speed Date Critique
    - Pick your favorite one (and/or adjust for a GIF!)
    - Create a storyboard. Draw the correct artboard/page size. :)
- Go to computers/laptops
  - Open Photoshop and Illustrator
  - Add color if you'd like!
  - Follow steps in project sheet
    - Skim ALL of the directions first!
    - Then Work.
- Maybe (probably) finish. :) If not, it's due Thursday.
